

# Ultimate Raffle Fundraiser

Below is the template for our Ultimate Raffle Fundraiser. You may print as many copies as you like.

Tryout fees will be used to buy the gift cards for this raffle drawing, so 100% of what you raise by selling tickets stays with you. You will simply sell the tickets as the prices listed, give the right side of the ticket to your customer, and give the smaller left side with name and phone number back. We will have a kickoff party the first week of December and will do the drawing, live, at the party.
